Other Information:

FREQUENTLY ASKED QUESTIONS

Why does the online questionnaire ask me how I would like to be considered? What does this mean?

There are a number of ways you may be appointed to a Federal position. Typically, candidates who are entering Federal service for the first time from the private sector will need to apply through the **competitive examining** process, in which you are rated and ranked against all other applicants for the vacancy. Certain veterans may be eligible for preference under this authority.

There are currently two special appointing authorities for veterans: the **30%**

disabled veterans' special appointment and the **veterans' recruitment appointment (VRA)**. If you are applying under these authorities, you do not undergo the rating and ranking process and are automatically referred providing you meet the minimum qualifications for the job. **ELIGIBILITY**

REQUIREMENTS: The disabled veterans' special appointment is open only for those veterans with a 30% disability or greater. A VRA appointment is available for veterans who meet any one of the following criteria: disabled veterans at any percentage, veterans who have served on active duty in the Armed Forces during a war or in a campaign or expedition for which a campaign badge has been authorized, veterans who have received an Armed Forces Services Medal, or veterans who have separated from active duty within the last three years. *VRA appointments are applicable for GS-1 to 11 positions only; if you are applying at the GS-12 level or higher you must choose an option other than VRA.*

Certain candidates may be eligible for non-competitive appointment under a **special appointing authority**, such as appointment under a Schedule A disability, Postal Service, Peace Corps, etc. These candidates are not rated or ranked and are automatically referred providing they meet the minimum qualifications for the job.

Candidates who are currently or have previously held a position in the competitive service may be eligible under **merit promotion** procedures. If you are a current Federal employee and do NOT apply under the merit promotion process, you will be required to serve a new probationary period if selected.

What are the advantages of applying non-competitively?

Candidates who are eligible for a non-competitive appointment are not required to "compete" against other candidates for this vacancy. This means that, providing you meet the minimum qualifications for this position, you will be referred for further consideration regardless of your overall rating. Although they are not required to hire you for the position, the chances of having your resume seen by the hiring official are increased.

What documentation should I submit if I am applying under merit promotion procedures?

If you are a current career or career-conditional Federal employee or former Federal employee who has reinstatement eligibility, you must submit an **SF-50** "Notification of Personnel Action" that reflects career or career-conditional tenure AND your **most recent Performance Appraisal**. Be sure that your SF-50 displays your tenure code (box 24), position occupied code (box 34), and your current pay plan and grade (boxes 16 and 18). If you are currently serving in (or have ever held in the past) a position with a **full performance level** of GS-6 or higher, you will need to submit an SF-50 verifying that full performance level.

What information should I submit to apply for a VRA or 30% disabled veterans' appointment or for veterans' preference?

If you are a veteran with preference eligibility and you are claiming 5-point veterans' preference or are applying for a VRA appointment, you must attach a copy of your DD-214 or other proof of eligibility. If you are claiming 10-point

veterans' preference or a 30% disabled veteran appointment, you must attach an SF-15 ("Application for 10-Point Veterans' Preference") plus the proof required by that form.

Additional information on veterans' preference can be found here:

<http://www.opm.gov/veterans/html/vetguide.asp>

What information must I submit to verify my eligibility for appointment under a Special Appointing Authority?

You must submit any documentation that has been provided to you as proof of your eligibility. For questions about which documentation is required for a specific authority, please contact the human resources office at the number listed on this announcement.

How can I apply for priority consideration under CTAP/ICTAP regulations?

If you are an eligible Career Transition Assistance Program (CTAP) or Interagency Career Transition Assistance Program (ICTAP) applicant you may apply for special selection over other candidates for this position. To be well-qualified and exercise selection priority for this vacancy, displaced Federal employees must be **rated at 90** or above on the rating criteria for this position. CTAP/ICTAP eligibles must submit one of the following as proof of eligibility for the special selection priority: a separation notice; a "Notice of Personnel Action" (SF-50) documenting separation; an agency certification that you cannot be placed after injury compensation has been terminated; an OPM notification that your disability annuity has been terminated; OR a Military Department or National Guard Bureau notification that you are retired under 5 U.S.C. 8337(h) or 8456.
